"Expected Delivery Date"	means the date the Goods are expected to be delivered to the Store where the order was placed
"Store trading hours"	means the hours the Store is open for business

"Deposit Payment"	the initial payment to be made by the customer at the time the order is placed and the contract is formed.
"Balance Payment"	the outstanding balance to be paid by the customer when the Goods are collected. This is the difference between the Retail Price and the Deposit Payment.

2. Existence and Scope of Contract

These terms and conditions together with the Agreement and Receipt form a binding contract for the purchase of Goods between the Customer and Moss Bros to the exclusion of all other express or implied terms and conditions. Customers are required to review all the details on the Agreement with the Moss Bros staff assistant before the Deposit Payment is made. The customer is required to sign two copies of the Agreement, one copy to be retained by the Store and one copy to be retained by the customer.

3. Variation

A Moss Tailor Me Agreement can be amended by the Customer within the Cooling off period only. All amendments must be made in Store and the amended Agreement must be signed by the Customer. Variation to the Agreement is not possible outside of the Cooling off period. In the event that the Customer wishes to amend their Agreement, within the terms of the Cooling off period, but the Agreement was placed in a Store where Store trading hours exclude Saturday, Sunday or Monday, then the customer is required to contact a member of our Customer Services team on **0333 320 6677** for assistance.

4. Payment

A Deposit Payment of 50% of the Retail Price must be paid to Moss Bros, by the Customer, on the day the order is placed. All outstanding amounts due under the Agreement must be paid when the Goods are collected. Goods will not be released until the Balance Payment has been paid. The Customer is responsible for ensuring that the Receipt, handed to them at the time of payment, records the correct Deposit Payment made. Where a customer fails to arrange collection of Goods notified as being available for collection within sixty days of being so advised, the customer shall be liable to pay the Balance Payment forthwith. Moss Bros reserve the right in such circumstances to charge the Balance Payment to the customer's payment card without further notice. Where Goods remain uncollected for one year after the customer was first advised the Goods were ready for collection Moss Bros shall be entitled to dispose of the Goods without further notice or liability to the customer.

5. Alterations

At the point of collection, if the customer wishes to make alterations to the Goods, then additional charges will apply and all outstanding balances must be paid in full prior to the alteration of the Goods. However, if the measurements of the Goods differ from those specified on the Agreement, then the cost of the alteration(s) will not be charged to the customer but all outstanding balances must be paid in full prior to the alteration of the Goods. If the customer is not satisfied with the Goods, Moss Bros will, after inspection of the goods to ascertain if remedial work is necessary, follow a strict policy of repair, replace and finally refund, depending on which remedy is the most appropriate. Moss Bros retains ultimate discretion on whether such remedial work is necessary.

6. Cancellations

The Customer has the right to cancel their Tailor Me Agreement and receive a refund of their Deposit Payment within the Cooling off period only. The cancellation of an Agreement by the Customer outside of the Cooling off period will be subject to a cancellation fee equal to the outstanding amounts due under the Agreement which shall become payable immediately upon cancellation. Moss Tailor Me reserve the right in such circumstances to charge the cancellation fee to the customers payment card without further notice.
